

## "NEXT YEAR IN JERUSALEM" IS PROMISE JEWS SEE AS PASSOVER FESTIVAL BEGINS TONIGHT!

By ISRAEL KLEIN.  
NEW YORK, April 5.—"Next year in Jerusalem!" The hope Jews throughout the world have been repeating year in and year out, ever since the fall of the Temple of Solomon and the invasion of the Moslems nearly 2,000 years ago, may at last be fulfilled!

This is the site of Solomon's Temple which the Jews hope to restore on their return to Jerusalem. On it is the Mosque of Omar, the invader who destroyed the Temple and started Moslem rule in the Holy Land, nearly 1,200 years ago.

Tonight Jews unite again to celebrate the departure of their ancestors under Moses from Egypt, and again will repeat the hope for the redemption of Judea in the Holy Land. But never before was that wish expressed so fervently and optimistically as it will be tonight when the festival of the Passover begins.

The present war has put more confidence into the Jew's belief that he will be in Jerusalem before long. Even now there is discussion in diplomatic circles of the allies about the recovery of the Holy Land for the Jew.

There is the possibility even of returning Jerusalem to the Jews, putting the Holy Land under Jewish administration and assuring complete sovereignty.

eighty to the revived Judea under the care of the civilized nations.

Turkey is tottering and when peace terms are drawn up, one of the stipulations may be—and Jews throughout the world hope it will be—the freedom of Jerusalem from Turkish rule.

The Passover, celebration of which begins tonight, is the anniversary of the delivery of the persecuted Jews from Egypt.

Pharaoh Rameses II. had persecuted them and his son, Merneptah II. had continued the oppression until Moses gathered his tribe together and brought them away, crossed the Red sea, by a miracle which also brought the destruction of the Pharaoh's army, and instituted the Hebrew religion among his followers at Mt. Sinai.

At the close of the services tonight,

and in orthodox houses tomorrow night also, the head of each Jewish household chants the prayer, "Next year in Jerusalem," three times, and the rest repeat it.

The same words are spoken on the Day of Atonement, in the autumn of each year, the most important holiday of the Jew.

Although the Jews are scattered over the whole world, and in spite of their complete freedom in the civilized countries, they have joined in the movement for the rebirth of Jewish rule in Jerusalem. The Zionist movement is international. Its ultimate goal is a Jewish nation in Jerusalem, but until then Zionists are seeking to secure the more freedom and better living for the Jews now in the Holy Land.

H. E. Moore refereed the game. Lucile Fisher and Gladys Bennett were score keepers and Moore presented the winning team.

Mr. Moore presented the winning team the loving loving cup (a China mug bowl). It was received on fragments by Beate Lee Platon.

The drill directed by Violet McLoskey and the glee club drill directed by Marion Kramer were pleasing events.

At the chapel period Mr. Colebank made an announcement of the prizes offered by The West Virginian to the student of the High School who wrote the best essay on the subject "Fifty in Five." It is hoped that a number of the High School students will try for the prize offered to the High School.

Chapel Today.  
On Friday, April 6, Miss Van Buren, a Civic League worker of Boston, spoke at the High School during the regular chapel period.

Science Class.  
The Freshman general science class visited the electrical demonstra-

tion show given by the local firm of Knight and Haas Thursday.

Agricultural Gardens.  
The High School garden spot has been plowed and is now ready for the students to work and prepare the ground for the seeds. Each individual will have a garden 20x40 feet.

The plans are to be made in the next week or two and the students will be seen working hard to accomplish much in nine weeks. There will be given extra credit to those who work through the summer months, with an average of one or more hours a day. The agricultural classes are large and there will be approximately seventy gardens. All but five will be located on the Sam R. Nazim property in the rear of the High School. The other five will be on Fourth street, Locust avenue.

Community Gardens.

On Tuesday at 3:40 o'clock a meeting was held in Mr. Musgrave's room in order to discuss and get the name of students who wanted to conduct a garden at home this summer. About thirty-five were present and seemed very anxious to begin the work.

Mr. Musgrave will supervise all gardens, visiting each about twice a week. At the end of the season when the cards are turned in that will show just how much work has been accomplished, Mr. Colebank will determine the credit deserved. No garden should be smaller than 25x50 feet. The purpose of these gardens is to reduce the high cost of living.

There are four main reasons for making a plan for a garden. They are: first, it enables the gardener to save time at the planting season; second, it prevents overlooking important details in the rush of the spring work; third, it prevents mistakes in the arrangement of crops and distances between rows; fourth, it insures the most profitable utilization of the garden space.

The first step in planning the garden is to measure the garden and send for a seedman's catalog.

Tryout for Play.

On Tuesday, April 3, the Seniors will have the tryout for their annual play. By this plan each student or group of students work up a part or scene of a play and give it before the judges, who decide who shall take part in the Senior play. Miss Hodges, the director, asks that a large number of students enter this contest so that the best material may be chosen.

Baseball.

The Fairmont High School baseball team is practicing every evening. The team will be in good form for their first game with Shinnston, April 14th. Some very good material is out and Coach Moore is sure of a good team.

Last Saturday afternoon the school, side of the valley was made out. Fairmont High has three games at home and four abroad. The schedule is as follows:

At Home—Shinnston, April 11; Fairview May 1; Clarksburg May 5. Abroad—Grafton, April 21; Morgantown April 28; Fairview May 11; Clarksburg May 26.

Track Team.  
The warm weather of the past

week brought out the track men of the Fairmont High School. They will practice hard until the 26th of April, when the interclass track meet will be held. The different classes have elected their captains. The captain of the Freshmen is Shelden Dean, the Sophomore captain is Charles Loan, the Junior captain is Paul Hess and the Senior captain is Lawrence Russell. On May 12 the Monongahela Valley Track meet will be held at Morgantown. Fairmont High will be represented by a large team.

Sextette to Sing.

On Tuesday afternoon at 3:30 o'clock the Sextette of the Fairmont High School will render two selections before a meeting of the Woman's Club. The Sextette is composed of Goldie Hartley, Catherine Shaffer, Ruby Moran, Pauline Graham, James Knight and Arthur Fisher.

Four O'clock Tea.

Saturday afternoon Miss Frances Helmick entertained at her home on Fairmont avenue at a four o'clock tea in honor of Miss Virginia Cook and her home guest, Miss Ruth Perry, who are here from Birmingham, Pa., for the Easter vacation. A color scheme of white and yellow was effectively carried out and American flags were given as favors. The guests included a number of High School students and members of the faculty.

## A TREATMENT FOR NERVES

Woman Tells How Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y.—"I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound for nerves and for female troubles and it straightened me out in good shape. I work nearly all the time, as we live on a farm and I have four girls. I do all my sewing and other work with their help, so it shows that I stand it real well. I took the Compound when my ten year old daughter came and it helped me a lot. I keep it in the house all the time and recommend it."—Mrs. DEWITT SINCLAIR, West Danby, N. Y.

Sleeplessness, nervousness, irritability, backache, headaches, dragging sensations, all point to female derangements which may be overcome by Lydia E. Pinkham's Vegetable Compound. This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

faculty; also a number of girls who are home for the Easter vacation. The aids were Misses Virginia Helmick and Ruth Perry.

(Continued on page twelve.)

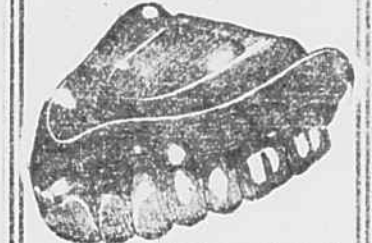

## GIRLS! MAKE A BEAUTY LOTION WITH LEMONS

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, smoothener and beautifier.

Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen and bring out the color and beauty of any skin. It is marvelous to smoothen rough hands.

## FAIRMONT HIGH SCHOOL NEWS

Items About Faculty and Student Activity Prepared by Members of the Senior English Classes.

West Virginia University Concert.  
The West Virginia University Glee and Mandolin Clubs gave a delightful concert at the High School last Friday evening. An appreciative audience filled the auditorium and were well pleased with the program rendered.

The program was of a high class order interspersed with several popular songs, while added variety to the entertainment, Jack Abbott sang the "Two Grenadiers" according to encores, thus showing the audience was delighted with his singing. His voice is no doubt the best I have ever heard in Fairmont.

Bernard Madiera's interpretation of a dusky faced comedian was well acted out. He has a good line of the original jokes which caused the audience to roar with laughter many times.

The little comedy skit, a take off on grand opera, acted by Steele Trotter, as Mrs. Tyler, Ronald Meist, as Mr. Tyler, and William Heines, as the Janitor, was very original and greatly appreciated by the audience.

The numbers given by the Mandolin Club were all very high class. Each number rendered received a hearty encore. Raul Switzer, a former graduate, made his first appearance in the High School with the club.

This program certainly was a treat for all music loving people. The program given was as follows:

Hail West Virginia—The Clubs.  
Druids Prayer—Mandolin Club.  
New Mown Hay.  
Autumn Winds.  
Keen the Air—Glee Club.  
Plainsman's Song.  
Two Grenadiers—Mr. Abbott.  
Marietta.  
Be My Love—Glee Club.  
The First Camel.  
A Dusky Interpretation—Bernard Madiera.  
Religio.  
Dance de Caput—Mandolin Club.  
The Near Harmony—Quarto-Dance.  
An Act of Grand Opera—Lip-Dance.  
Scene, An Alarm of Fire in a Chicago Apartment House at 11 o'clock p. m.  
Mr. Tyler—Ronald Meist.  
Mrs. Tyler—Steele Trotter.  
Janitor—William Heines.  
Chorus—Other inhabitants of the apartment.  
Finale—Old Gold and Blue.

Monongahela Valley Round Table.  
The Monongahela Valley Round Table meeting will be held in Fairmont today and tomorrow. This morning the out of town teachers visited the various schools of the city. At noon a cafeteria lunch was served at the High School and the Normal School.

The afternoon session opened at 1:30 o'clock at the Normal, where Dr. A. E. Urnship, editor of Education, delivered the opening address. Today is the fiftieth anniversary of the Normal and the dedication of the new building.

Several noted speakers are attending these meetings and some of the subjects to be discussed are "How may we know when a student is thinking?" "What are the important factors of thinking?"

At the general session of the

## RHEUMATISM usually yields to the purer blood and greater strength which

# SCOTT'S EMULSION

creates. Its rich oil-food enlivens the whole system and strengthens the organs to throw off the injurious acids. Many doctors themselves take Scott's Emulsion and you must stand firm against substitutes.
